En route to North Ogden, to visit his parents, Mr. and Mrs. B. F. Blaylock, E. M. Blaylock, auditor and public accountant of Idaho Falls, was injured near Logan last night when his automobile was struck by a moving train. Arthur Montgomery of North Ogden, was in the Blaylock machine, when the accident occurred. Neither was seriously injured. They were removed to the hospital at Logan. A telephone message from Logan, this morning informed Mr. and Mrs. Blaylock of the accident.

Mr. Blaylock and Mrs. Josephine Montgomery went to Logan this morning.

## Hold Funeral for Mrs. Anna Ohlsen

MRS. ANNA B. OHLSEN.

Funeral services for Mrs. Anna B. Ohlsen were held yesterday at 2 o'clock in the High ward meeting house, with Bishop W. W. Rawson officiating. Bishop's Counselor J. F. Barker, conducting. The following musical services were given: "Oh, My Father," by Mrs. Maud Dee Porter; "Voices Are Calling," by Mrs. Emily P. Madlock; "Resting Now From Care and Sorrows," by the Relief society chorus; "Behold, It Is Even-tide," by Elizabeth Norseth. Mrs. Anna T. Dee, president of the Relief society, read a letter of appreciation and condolence. The speakers were Bishop Rawson, and President Thomas E. McKay. High tribute was paid to the life of Mrs. Ohlsen, especially to her work in the Relief society. There was a large attendance. Grandsons of Mrs. Ohlsen acted as pall-bearers, while her granddaughters acted as flower-bearers. Interment was in the Ogden City cemetery with C. J. A. Lindquist dedicating the grave.

## Commission to Probe Ogden Electrocutation

Investigation of the accidental killing of John William Brown and the injury of several others here Saturday night by electricity, is to be made by the public utilities commission of Utah, according to an announcement made today. The probe of the commission will go as far as to ascertain whether the accident was caused by a break in the wires belonging to the Utah Power & Light company or to some customer of that concern. If the former, the accident will be investigated still further to see what may be done in the way of preventing the recurrence of similar accidents.

Funeral services for Mr. Brown will be held at 2 o'clock this afternoon at the Larkin chapel, Bishop L. W. Sherman of the Lynne ward will conduct the service. Interment will be in the City cemetery.

In connection with electric light wires, the public utilities commission has also received a letter from John A. Jordan, chief construction engineer of the air mail service, in which he called attention to the presence of two lines of high tension wires in proximity to the local air mail landing place.

This communication will be forwarded to the Utah Power & Light company officials for their views. It is understood that the company is willing to have its high tension lines moved, if the parties interested will bear the expense, but that it contends that the power lines have been there for many years and that there are many other locations near the city just as suitable for an airplane landing place as is the site now used.

## Welsh Singers Appear in Ogden Tomorrow

Members of the Ogden high school band, under the supervision of Lester Hinchcliff, music instructor, are making extensive preparations for the concert which will be given under their auspices Wednesday night at the tabernacle.

The famous Mountain Ash Welsh Male concert choir, composed of the best vocal talent in Wales, will give the concert. The Mountain Ash choir is known throughout the United States.

## WEAK WOMEN

cannot hope ever to become strong and well again unless they have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not irritate the stomach, it is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalizes worn-out exhausted nerves and gives you new strength and energy. Over 4,000,000 people annually are using it. For sale by all druggists. Beware of substitutes. The genuine has N. I. stamped on every tablet. Always insist on having the genuine.

and Europe as a premier musical attraction. They received an ovation when they appeared at the Agricultural college at Logan a few nights ago, musical experts of the school commented enthusiastically upon their presentation of various melodies.

Tickets are on sale at Cully's drug store and at the Williams music store near Twenty-second street on Washington avenue.

Glennville Davies, said to be the greatest Welsh baritone, who was winner of the double national prize, will appear with the choir.

D. J. Davies, tenor, is another double national prize winner. M. J. Edwards, tenor, has the distinction of having won the champion solo prize.

Stephen Jenkins, tenor, Pennat Williams, baritone, Royce Thomas, tenor and Harry Evans, known as the great basso profundo, will also be included among the vocalists.

The high school band is planning to serenade the concert, and will probably appear on the business streets of the city tomorrow night. A squad of cadets will canvass the business district with hand bills.

Scores of compliments from music lovers have been showered upon the high school band. It is reported, for having taken the initiative in arranging for the appearance of this troupe of musicians in Ogden.

## TEACHER PROVES THAT ANGLEWORMS ARE 'GOOD EATING'

COLORADO SPRINGS, Colo., Nov. 23.—Principal Lloyd Shaw demonstrated to a high school class in biology Monday that angleworms are edible following a lecture on the worm. Asked if the worms were edible, Mr. Shaw replied there was no reason why they should not be. The students obtained a handful, fried them in butter in the domestic science laboratory, and presented them to their instructor, who ate them, pronouncing them "not half bad."

## COMMISSION'S RECORDS MOVED TO LANDIS' OFFICE

CHICAGO, Nov. 23.—Records of the old national baseball commission have been transferred from Cincinnati to Chicago in preparation for the opening of offices here for Judge Landis as ruler of the major leagues. By a visit to Cincinnati last week, Judge Landis familiarized himself with the workings of the old national commission and soon is to begin consideration of the major leagues.

One of the first important decisions expected, according to reports, is the division of about \$15,000 among members of the White Sox team, which earned second place money in the 1920 race. Strong opposition has arisen in some quarters to the proposal to exclude from shares the seven former White Sox players under indictment for the participation in "throwing" the 1919 world's series.

## How to Make Pine Cough Syrup at Home

Has no equal for prompt results. Takes but a moment to prepare, and saves you about \$1.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose.

Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, put 20 ounces of Pine in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children take it eagerly.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pine and Syrup combination will cure it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pine is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pine" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pine Co., Ft. Wayne, Ind.

## BETTER THAN CALOMEL

Thousands Have Discovered  
Dr. Edwards' Olive Tablets  
are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take the cause of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." They "clear" clouded brain "perk up" the spirits. 15c and 30c—Advertisement.

## YOU'LL GET RID OF BLACKHEADS SURE

There is one simple, safe and sure way that never fails to get rid of blackheads and that is to dissolve them.

To do this get two ounces of calomite powder from any drug store—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear, leaving the parts without any mark whatever. Blackheads are simply a mixture of dust and dirt and secretions from the body that form in the pores of the skin. Pinching and squeezing only cause irritation, make heads out after they become hard. The calomite powder and the water simply dissolve the plugs out of the pores free and clean and in their natural condition. Any one troubled with blackheads should certainly try this simple method.

## FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.
